It has come to BSDM's notice that some false propaganda and misleading information regarding the implementation / sustainability of KYP scheme is currently doing rounds in the social media. BSDM would like to reassure you that the "Kushal Yuva Program" has been & will be an integral part of the 7 resolves of GoB and there need not be any inhibitions or concerns among the stakeholders with regard to the future of the KYP Scheme, disbursement of payment due with regard to KYP or any other related aspects. Further to reiterate the sustained continuance of the KYP scheme, the enrolment for October batch is currently going on and the last date for confirmation of candidates is 8<sup>th</sup> October 2019.
