Basis discussions following instructions were given by ACEO, BSDM.

- (i) DEOs are expected to monitor inspection visits of DSMs and quality thereof. Based on DSM's visit reports, they should identify and select some centers for their independent inspection i.e. not along with DSMs.
- (ii) Minimum two to three centers must be visited by a DEO for a district in a week. The visits of DEOs and DSMs should be separate.
- (iii) If any DEO holds charge of multiple districts, then it should be pre advertised that on which day he will be present in which district.
- (iv) If any DEO is unable to join the scheduled meeting of BSDM, they should inform the BSDM in advance.

- (v) The DEOs and respective SPMU in charge of the districts should be in regular contact so that issues and challenges at district level can be timely escalated and resolved at BSDM level.
- (vi) BSDM will maintain district wise files for immediate actions and resolution of major discrepancies found in DEO/DSMs center inspection visit. The concerned SPMU will submit a note along with recommendation of actions to be taken against defaulting centers. BSDM will process these notes through respective file of the district and action will be taken. Actions once taken should also be intimated to the concerned DEOs and DSMs.
- (vii) The DSMs of a respective district should maintain their assigned block wise details and records of job camp/fairs organised in the district. The weekly report should contain date of job camp, number of footfall, shortlisting and final selection details.
- (viii) SANKALP PMU team through DSEs were instructed to track these placement at-least for next six months i.e., whether the candidates placed have joined the job or not, whether the placement has been made as per offer letter or not, whether the salary is being paid to them or not and deductions from salary are being deposited or not on time.
- (ix) The inspection proforma should be revised wherein the expectation of BSDM like how many candidates were electronically logged in and how many candidates are physically present etc. should be clearly spelt out. MD, BSDM apprised that BSDM is working on the same and the revised inspection proforma will soon be presented for approval.
- (x) All DSMs should formally intimate (via an email) to all the centers that if any discrepancy occurs in their center, they must immediately mail the same to the concerned DEO, DSM, SPMU and BSDM and ensure compliance as soon as possible. Any problem at center must be reported in time to the BSDM and its officials by the center. DSMs while visiting such centers will note it down in the visiting register, that the problem was already intimated to BSDM. A notification to this effect will also be sent by BSDM to all the centers.
- (xi) All DSMs were instructed that while making inspection they should also spend some time to see the quality of training being given by the learning facilitator (LF)/trainer and how the training is being imparted by sitting back in the last row of the classroom or lab. If needed, they must give feedback to LF for improvement thereof. They should also spend some time with candidate's and ask for their learning till date and what they have learned today and yesterday and motivate them. This exercise will lead to overall improvement of the skill development program.
- (xii) DSMs were instructed that it is non mandatory for a center coordinator to be present at the center. Learning Facilitators (LF)/ Trainers must be present at the center. It is also instructed to all the DSMs that they should communicate to all the centers that LFs should not be nominated as center coordinator. A notification to this effect will also be sent by BSDM to all the centers.
- (xiii) It was instructed that possibility of ERA and Solar "View only login" to be given to DEOs should be explored in consultation with BSDM Technical Team (Knowledge Partner) and if possible, should be provided to all DEOs.
