DOMAIN SKILLING SKILL DEVELOPMENT CENTER REGISTRATION 2018 Process - Notification date 10th July, 2018

This has a reference to the DOMAIN SKILLING SKILL DEVELOPMENT CENTER REGISTRATION 2018 process on Bihar Skill Development Mission (BSDM) portal. At the onset we would like to invite you for being a part of the skilling ecosystem in Bihar.

SKILL DEVELOPMENT CENTER REGISTRATION 2018 Process Conditions

- The DOMAIN SKILLING SKILL DEVELOPMENT CENTER REGISTRATION 2018 process is due to **commence on the 17th of July, 2018**. The **last date for entering into the registration process will be 3rd September, 2018**.

- The DOMAIN SKILLING SKILL DEVELOPMENT CENTER REGISTRATION 2018 process is a restricted registration process opened for a specific set of Courses and Districts/Blocks/Urban Local Bodies (ULB). The course-wise and location wise SDC requirement list is attached as Annexure 1 for your reference.

- Any application made outside the designated courses or locations (District/Block/ULB) shall not be entertained by BSDM and will be liable for rejection straightaway. If any declared combination of course and location is not matching any of the combinations stated in the Annexure 1 then that application will be rejected.

- As a measure for enhanced scrutiny the registration process will have an additional step upfront to declare the course and location to be chosen. Post this declaration BSDM will approve or reject the application in view of the prescribed norms and requirement. Only if approved will the applicant be able to continue under the registration process.

- As an additional awareness measure a course – location wise openings dashboard (dynamic data display) will be provided on BSDMs website. All applicants are advised to check the opening / availability before applying and preferably apply for combinations that do not already have equal to or more than the requisite applications made as BSDM may choose to use First-Come-First-Serve (FCFS) or any such similar algorithm to decide in case of multiple applications being made against one course-location combination.

- All applicants while choosing location need to make sure that they declare the location specifically as the concerned ULB as opposed to just choosing the related block if their chosen centre is inside the boundaries of one of the Urban Local Body (ULB). If found otherwise during the physical verifications the application will be rejected.

- BSDM would like to notify that selection post the course-location declaration process does not guarantee on-boarding or eventual empanelment under the Domain Skilling Program. Final approval / empanelment as Domain Skilling SDC will be subject to the compliance to the prescribed norms (Please refer to BSDM website (skillmissionbihar.org) for detailed centre set-up norms and course wise mandates)

- Post physical verification and eligibility establishment the SDC will have to get itself approved on BSDM portal by abiding to the various BSDM SDC registration guidelines in the stipulated time in order to ensure Final approval / empanelment as Domain Skilling SDC.
- BSDM would like to notify that Final approval / empanelment as Domain Skilling SDC on the BSDM portal does not guarantee work / target allocation. The work / target allocation remains with the various Line Departments implementing their various domain skilling schemes and will be the sole discretion of those Line Departments with no involvement of BSDM.

Other Important Instructions for Applicant Organization (AO)

- Applicant Organization (AO) should read all instructions and process details before application process.
