Date 26-11-2025

To,

1. All Skill Development Centres (SDCs)
(Domain, RTD and RPL including GTP Centres)
2. All Department's nodal officer (16 lined departments)

Subject: Training and Capacity Building Session for Domain Skilling Modules on 28th November 2025

Dear Centre head/owner,

This is to inform you that a **training and capacity-building session** on various **Domain Skilling modules** has been scheduled on **28th November 2025**. The session will focus on familiarizing all Domain Skilling Centres with the new modules, process updates, and guidelines for smooth implementation across the state.

All SDCs are hereby requested to **join the session as per the schedule mentioned in the attached letter** and ensure timely participation. Your active involvement is essential for effective understanding and execution of the updated modules under BSDM.

The Domain Skilling process under BSDM includes several key modules such as Centre Selection, TP Registration, SDC Registration, Credential Issuance, SDC Profile Completion, DSM Verification, Forwarding to SMT, SMT Decision, and SDC Code Generation. Once approved, centres proceed with Candidate Mobilisation, Candidate Registration, Batch Creation, Line Department Approval, Transfer to LMS, and Attendance Sync. Additionally, operational modules include Course Subscription for selecting approved courses, Centre Renewal for periodic compliance validation, and the Capacity Building module for training SDC teams on updated processes and system features.

Only the concerned person handling the respective operation must attend, as this session is crucial for ensuring smooth implementation.

For any clarification or **technical assistance**, you may contact your respective **Cluster Manager** from the new Knowledge Framework Partner – Schoolnet India Limited.

Thank you for your continued support and commitment to skill development in Bihar.

(Rajesh Bharti, IAS)
Additional Chief Executive Officer
