BSDM/LRD/Schoolnet - 29/10/25 (Part-1) -2467

**Government of Bihar
Department of Labour Resources
Bihar Skill Development Mission**

Date...18-11-2025

To,

**All Skill Development Centres (SDCs)
(KYP, BSCFA, Domain, RTD, RPL including GTP Centres)**

Subject: Training and Capacity Building on 20th & 21st November 2025 for New BSDM IT Portal, LMS and e-Content

Dear Centre head/owner,

As you are aware, **Bihar Skill Development Mission (BSDM)** is launching its **new self-owned IT Portal, Learning Management System (LMS), and e-Content platform** from **1st December 2025**. The portal has been developed and implemented by **Schoolnet India Limited** as the Knowledge Partner of BSDM.

This new BSDM-owned platform aims to bring together all schemes and stakeholders under a **single integrated digital ecosystem** to ensure seamless operation, transparency, and effective monitoring of training delivery across the state.

In this regard, a **Training and Capacity Building Programme** has been planned on **20th and 21st November 2025** for all SDCs under the following categories — **KYP, BSCFA, Domain Skilling, RTD, RPL, and GTP Centres**. The **day-wise schedule** for the training sessions is enclosed as **Annexure-I**.

All centres are **required to attend the training session as per their allotted district-wise slot** without fail. The session will cover system navigation, batch management, LMS operations, and content access on the new BSDM portal.

Please note the following important points:

- From **1st December 2025**, no new batch will be created on the **MKCL Portal**.
- However, **ongoing batches** will continue on the MKCL Portal until their completion.
- Your new **Cluster Manager** from Schoolnet India limited will share the **new login credentials** for the BSDM portal and guide you through the login and verification process.
- All centres must **log in to the new portal and verify their data** to ensure that migration has been completed correctly.
- In case of any mismatch or data discrepancy, the same must be **rectified by 30th November 2025** to ensure smooth functioning after the go-live.

Your active participation and cooperation are essential to ensure a seamless transition to the new system.

Only the concerned person handling the respective operation must attend, as this session is crucial for ensuring smooth implementation.

For any clarification or **technical assistance**, you may contact your respective **Cluster Manager** from the new Knowledge Framework Partner – Schoolnet India Limited. Their contact details will be shared during the training session, and they will also provide you with your login credentials for the new portal.

Thank you for your continued support and commitment to skill development in Bihar.

(Rajesh Bharti, IAS)
